

Project YTYÄ!

Basic information: What is YTYÄ?

YTYÄ! is a project which helps job seekers or unemployed people to find a new job from Iisalmi and its regions. (There are seven cities and municipalities in Iisalmi region: Iisalmi, Keitele, Kiuruvesi, Lapinlahti, Pielavesi, Sonkajärvi and Vieremä.) The main target group for YTYÄ! is motivated, able-bodied job seekers or soon graduating students. The project is administered by the city of Iisalmi and it is funded by the seven municipalities and European Social Fund.

Looking for a job?

In YTYÄ! we offer you diverse services for your job hunt! We have a customer oriented approach, and our services are composed of each customer's personal know-how and interests. Our goal is to help our customers to get employed in companies which are located in Iisalmi or its regions. There are many ways to get employed, for example via school's training program or company's own recruiting. YTYÄ!'s services are free and they are voluntary for the customers.

YTYÄ! offers help to its customers with several things:

- Job applications, CVs, other documents for job hunt
- Finding proper employers and jobs
- Finding proper education options
